How to set up your dartboard

Follow the diagram to set up your dartboard in accordance with the accepted rules of the sport. It's recommended that you have a mat or carpet strip (approximately 3 feet wide and extending 2 feet beyond the throwing line) to protect your floor or carpet from wear or damage.

Befolgen Sie die Anweisungen zur Befestigung des Dartboards an der Wand (Halterung & Instruktionen liegt den Boards bei) und beachten Sie dabei die offiziellen Regelungen bzgl. Höhe und Wurfabstand. Bitte denken Sie auch daran, Ihren Fußboden durch einen Teppich o.ä. in ausreichender Größe vor herunterfallenden Pfeilen zu schützen.
